

FASTGATE

Automated freight check-in and exit
at Zeebrugge, with **P&O Ferries**

1

PRIOR TO ARRIVAL

Bookings must be made in advance. New bookings or changes to bookings cannot be made at the port. Please ensure all required documentation is submitted in advance.

*Unit drop-off for rail services and empty unit collections do not require a booking.

The Freight Booking Office (FBO) can be contacted to make storage bookings.

**ADVANCE
BOOKINGS
ONLY**

2

TERMINAL ENTRY

360 degree imaging for damage control, vehicle/unit measurement, ANPR booking retrieval for fast entry.

Self-serve kiosks, including a dual height kiosk for vans.

Simply follow the on-screen instructions

For laden units

- confirm the job displayed on the screen, or for rail, select rail drop-off and provide CMR and DGN
- scan driver ID
- location for collection or drop-off is displayed on screen, print receipt if required
- boarding pass printed for accompanied vehicles – collect cabin key on board

For empty units

- enter 4 digit pin code
- select required unit size and type, or trailer ID
- scan driver ID
- location for collection or drop-off is displayed on screen

Barrier opens automatically to allow entry

3

TERMINAL EXIT

360 degree imaging for damage control, vehicle/unit measurement, ANPR booking retrieval for fast exit.

For laden units

System checks correct unit collected and confirms customs clearance

For empty units

System records unit ID of collected unit

Barrier opens automatically to allow exit
